

SATHYABAMA INSTITUTE OF SCIENCE AND TECHNOLOGY (DEEMED TO BE UNIVERSITY)

INTERNATIONAL RESEARCH CENTRE

Centre for Nanoscience and Nanotechnology
Centre for Waste Management

Workshop on Microbiology Techniques

Date: 13th May 2020

[Click Here to Register](#)

❖ Highlights

Microbiology and Culture Techniques –Introduction
Fundamentals and Guidelines

Media preparation

Autoclaving

Plating Techniques

Isolation of bacteria

Identification of microbes

Total Viable Counts

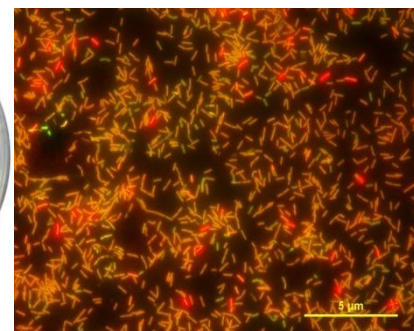

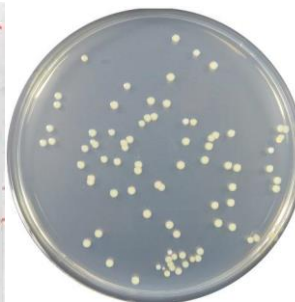

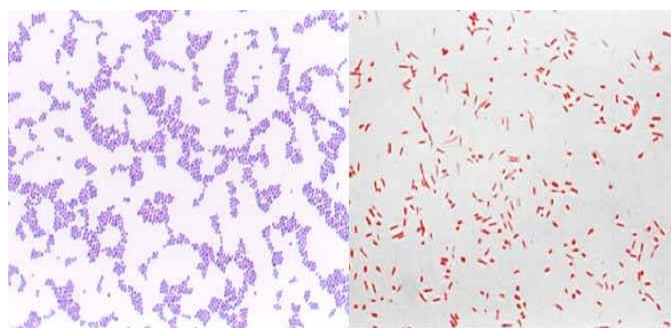

Staining Techniques

Epifluorescence microscopy

Participants are requested to download Zoom
Application before the Session

E-Certificates will be provided upon registration with Rs.500/-

Conveners

Dr. Vinita Vishwakarma

Scientist –F

N. Nirmala, Scientific Assistant,

Centre for Waste Management

A. Karthik, SRF

Centre for Nanoscience and Nanotechnology
