One Day Hands-on Training on Basic of Microscopy Techniques

❖The aim of this course is to provide training for the students/scholars in modern optical and Fluorescence microscopy through lectures and hands-on training from basic microscopy to high resolution imaging.

❖In this context, Sathyabama Institute of Science and Technology is organizing **One day Hands-on Training on Basic of Microscopy Techniques** on **27th July, 2019**. We welcome the participants.

Training Highlights

Theory, Mechanism and Applications of Optical and Fluorescence microscopy.

Sample preparation and staining procedure for Optical and Fluorescence microscopy.

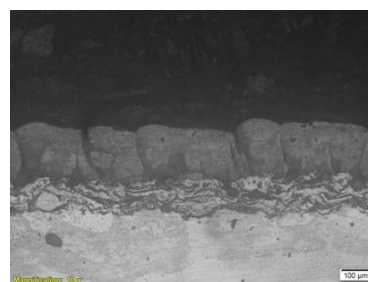

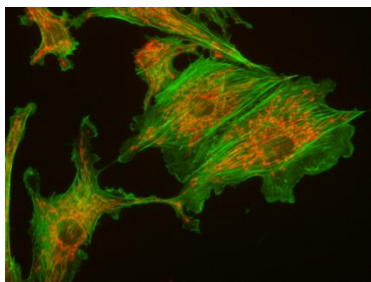

Handling of microscopes with different samples.

Fluorescence microscopy

Optical Microscopy

Registration: Filled in application form should be sent in the prescribed format along with the registration fee of Rs 650/- by DD drawn in favor of "Sathyabama Institute of Science and Technology", payable at Chennai.
